5 Litre Wavian U.N. (Boot) Fuel Can

This hardwearing 5 litre, 'Fill & Stop' fuel can comes supplied with cap, strap & spout and is available in a choice of six colours. Also available is the option for an autostop nozzle and embossing your brand logo directly to the side of the can. We call it the 'Boot' can as it's the perfect can to keep in your boot.

Specifications

Dimensions: 135x262x245mm

Weight 325g

Brimful Vol 5.5 litre

Material: Virgin HDPE, U.N. & PCR Compliant
