

AdBlue® is a registered trademark of the VDA (Verband der Automobilindustrie)

Wavian Blue

**1000
litres**

— **AdBlue®** —

**Better fuel economy • Reduced NOx Pollution
For Professional Use Only**

Manufactured under VDA licence by Banner Chemicals for WavianBlue

Key Information from the Material Safety Data Sheet

- Ingestion of insignificant quantities should not be a cause for concern.
- If swallowed, do NOT induce vomiting. If vomiting occurs, naturally, lean patient forward or place on left side (head-down position, if possible) to maintain open airway and prevent spiration. Although the material is not classed as an irritant, direct contact with the eye may produce transient discomfort characterised by tearing or conjunctival redness.
- Adblue® can induce inflammation of the skin following prolonged contact or immersion.
- Wear suitable chemical resistant gloves. Slippery when split. Clean up spills immediately.
- Adblue® is not flammable. Use water to control fires involving AdBlue provided that water is compatible with burning materials. Store in original container. Keep containers securely sealed. Store in a cool, dry, well-ventilated area between -11 and +30°C. Protect against direct sunlight. Store away from foodstuff containers.
- IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

WavianBlue is suitable for all Euro 4,5, and 6 Diesel Engines. Manufactured under VDA License® to ISO 22241 Standard
