Wavian Flexible Screw Top Spout (Diesel & Petrol Variations)

This spout is designed to be used exclusively with 5, 10 and 20 Litre Wavian Screw Top Fuel Cans.

Flexible Spout for Wavian Jerrycan with screw fitting
Please note this spout is designed to be used exclusively with our 5, 10 and 20 Litre Wavian Screw Top Fuel Cans.

- Optimum flow is assured when using our spouts with our cans
- Special breathing channel provides steady, slug-free, pouring
- Each spout has an internal filter to protect charging tank from dirt and foreign bodies
- Screw Top Fitting for Wavian Fuel Cans

Please note this spout is designed to be used exclusively with our 5, 10 and 20 Litre Wavian Screw Top Fuel Cans. It will not fit the Stainless Steel screw top cans.

At Green Valley, we take pride in delivering quality. Choosing our EU manufactured Wavian brand is a guarantee of a United Nations safety certified product. Put your safety first and buy Wavian.
Please note this spout is designed specifically to fit Wavian Bayonet Fuel Cans.
